FULL ELECTRIC 48V SYSTEM
PRIDE
PLATINUM

The Pride Platinum - 48V Full Electric. No Gas. No Limits.

Experience the future of caravanning with a powerful 48V system, high-capacity lithium, solar, and a large inverter – delivering true off-grid freedom with zero gas.

Built tough with one-piece Australian construction, and finished in premium luxury, the Pride Platinum features a full electric kitchen, leather upholstery, slide-out living, and modern interiors that feel more 5-star hotel than caravan.

This is the Pride of the Fleet – redefined.

AUSSIE MADE. BUILT HERE. BACKED HERE.
